

BÄM CHARGING APP

Become a charging customer for free

How it works:

STEP 1
Download BÄM charging app

STEP 2
One-time registration

STEP 3
Create charging contract

STEP 4
Find charging station & charge

With the free BÄM charging app, you can easily charge your electric car at the BÄM charging stations as well as at the public charging stations in the BÄM roaming charging network.

The app supports you in finding the nearest available charging station and provides an overview of your charging processes and invoices.
